In view of the above please advise if all items called for in the Baird P.O.'s have been received by you with an indication as to whether they were incorporated into LAC and items or were delivered directly to the Gov't. If the latter is the case please describe the item and cross reference same to your DD-250 or Shipper which has been signed by a Gov't. Representative. Also advise if you furnished any material to your sub and itemize same if your answer is in the affirmative.

Sincerely,
